This year, ALSD was blessed with a team of Christmas Angels that were led by our new friend, Mrs. Francie! All of the ALSD Day Hab was filled with joy as these new friends arrived and gifted us with lots of encouragement, loving conversation and new, fun things to take home! Thank you from the bottom of our hearts to these Angels for truly embodying the spirit of Christmas!

We had a wonderfully successful 2nd Annual Open House! The clients thoroughly enjoyed showing off the skills they have been working on with Ejay Sports and our music therapist, Mr. Charlie! It is very important that our clients feel proud of the improvement they have made and an audience is a perfect pat on the back. Thanks for joining us, we can’t wait to see you again next year!

In 2015, we lost a special member of the ALSD family. Our sweet Tanya was taken from this world too soon but her family makes sure that her spirit is still felt at ALSD. Her mother, Tina Black & family, kindly donated Christmas dinner to each of the residential group homes at ALSD. We could not be more grateful for their continued presence and generosity during the holidays.

ALSD In The Community

The Houston Food Bank  For a few years now the ALSD clients have been volunteering at the food bank. They enjoy working in the Warehouse and are always eager to assist with a new assignment!

Houston Pets Alive  Recently, a few of our clients have joined Ms. Karin in volunteering biweekly at a local pet shelter. They sort donations, clean food bowls/toys and greet the dogs!

Service Projects

A new addition to the ALSD curriculum is a biweekly service project. These projects are things that the clients can put together at the day hab on a Tuesday and deliver to the recipients on that following Friday.

We have delivered to the local fire station, pet shelter and sent to active duty military. If you know of a service project that ALSD can contribute to, please let us know!

Storytime at Levy Park  On Thursdays, we do small group outings to Levy Park where someone from the Houston Public Library reads a story and organizes a group craft or activity!

Veone Cox Rec Center  This Rec Center in Pasadena hosts lots of classes for the special needs community including Zumba, bingo, art, science, culture and music!
