Annual Audit

ALSD underwent our 2nd annual State survey this January for the State to review the program and ensure continuation of our contracts. We are excited to announce that the survey results were very good. We strive to be the best quality care provider and we appreciate your support in this endeavor.

Giving Tree Angels

For the third consecutive Christmas, the Curves gym of Magnolia organized a "Giving Tree" program for the residential clients of A Little Something Different. They went above and beyond in their generosity to give things that the clients both wanted and needed. As the bedspreads, clothes, train sets, radios and games were opened, we had the privilege of witnessing the joy and smiles that lit up the faces of many thankful individuals. We cannot express enough gratitude to these kind-hearted individuals who continuously create a very Merry Christmas for those at ALSD.

San Jacinto Monument

At the request of the clients, our Day Hab recently took a trip to the San Jacinto Museum and Monument. They had a wonderful time exploring the exhibit, watching a documentary and touring the monument.

Giving Thanks

The ALSD Day Hab enjoyed a delicious Thanksgiving lunch together of turkey sandwiches to celebrate how thankful we are for the many blessings in our lives. We had lots of food, crafts and dancing!

Our Curves Angels also graciously donated Thanksgiving dinner to all of residential homes. They ensured that every one of the seven houses had a full traditional meal to share with their roommates and staff.
