

A Little Something Different

October 2015 Family Newsletter

Please Welcome
Andrea
To the ALSD
Team

Due to our expanding client base, we have hired Andrea as the new ALSD receptionist. She is happy to answer any questions you might have and if she doesn't know the answer, will be happy to find out and get back to you. You will love her contagious happiness and kind heart!

Office Contact

With some IT changes and the addition of Andrea to the administrative team, we now have a consistent and reliable office phone line and voicemail system in place! Whoohoo! If you need to get a hold of one of us, we encourage you to call our office line Monday-Friday. If we aren't available, Andrea will be happy to take a message and track us down!

Thank You for Talking About Us!

Our marketing strategy relies solely on doing the greatest job we can and letting our clientele speak to others about their experience. Families love to hear first-hand about provider's abilities to serve before choosing one of their own. ALSD wants to thank our families for the numerous referrals and kind words we have received. We love the opportunity to serve you and your friends and family!
